REACH Statement

Dear customer;

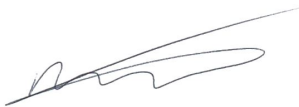

In its capacity as a manufacturer of grease thickeners The Ironsides Lubricants Ltd hereby confirm the fulfilment of our registration obligations under the Registration Evaluation Authorisation of Chemicals (REACH) and have completed the registration of all necessary substances in line with the 31st May 2018 deadline.

In its capacity as a downstream user of chemicals Ironsides Lubricants have confirmed REACH registration intentions with our suppliers and are in a position to maintain supply of all current products beyond 1st June 2018.

The pertinence of the above mentioned information is regularly checked by us, if any changes occur, or new information comes to light, our customers will be informed immediately.

We can also confirm that none of our products contain substances on the present Candidate List of substances of very high concern up to and including 15th January 2018 additions.

Yours faithfully
For The Ironsides Lubricants Limited
